Re: Mankamyer v. Rupolo, et al.

Dear Dr. Edwards:

I want to thank you for all of your assistance and efforts as my primary expert in the Mankamyer case. All of your "behind-the-scenes" assistance proved to be invaluable when taking the depositions of the defendant and his experts. Your deposition performance was nothing short of excellent; you were well versed in all of the subtle facts of our case and your ability to articulate your criticisms of the defendant in an understandable way proved, in my opinion, to play a key role in the successful resolution of this claim.

I look forward to working with you in the future. In the interim, feel free to use me as a reference.

Very truly yours,

JOSEPH R. JOHNSON
